Dear Professor Lefroy:

I will bring up at the meeting of the Finance Committee on Monday your letter dealing with the payment for examinations in your department. I hope to be able to give you a definite answer before the close of this term. This is a matter that really rests with the Governors and I cannot state one way or another what they are likely to do.

With kind regards, I am,

Yours sincerely,

President.

Dear Professor Lefroy:

At a meeting of the Finance Committee held yesterday afternoon it was agreed to recommend that \$100 be added to your salary for next year. The Committee were of opinion that it was only right that this addition should be made at your salary.

With kind regards, I am,

Yours sincerely,

President.
